

Crocker & Starr

2006 Cabernet Franc

We strive for balance in our vines through sustainable farming techniques.

Vintage Notes: September 28th marked the first Franc to be harvested from the estate and November 2nd marked the last. An unusually cool weather pattern set in which elongated the harvest season.

Winemaking: 100% Crocker Estate fruit – sustainably farmed, small lot fermentations using a combination of punch down and pumpover, barrel aged in 50% new French oak for 16 months. Final blend 95% Cabernet Franc and 5% Petit Verdot.

Winemaker's Notes: Exotic is one of the most appropriate words for Franc. Forward aromas of blueberry, cola, purple violets and allspice with a note of tobacco. The 2006 vintage is seamless from the first taste through the finish.
