

Crocker & Starr

2007 Cabernet Franc

We strive for balance in our vines through sustainable farming techniques.

Vintage Notes: The planets aligned as this is one of the most anticipated vintages in the decade. The weather was generally cooler than normal years with a few heat spikes. The growing season was dry. The 2007 vintage has offered us with one of the most powerful, refined and successful vintages seen in this decade.

Winemaking: 100% Crocker Estate fruit – sustainably farmed, small lot fermentations using a combination of punch down and pumpover, barrel aged in 60% new French oak for 16 months. Final blend 98% Cabernet Franc and 2% Malbec.

Winemaker's Notes: Rich and concentrated, the 2007 Crocker & Starr Cabernet Franc has exotic aromas of cinnamon stick, clove, and Asian spices. On the palate, layers of cola, raspberry, blueberry and black plum are seamlessly woven together. The finish is long, seamless and lingering. The persistence in the finish of our Franc makes for an excellent wine for a wide variety of food pairings.
